

HP 200 G4 22 All-in-One PC

Make a good investment

The clean and simple commercial design of the affordable HP 200 22 All-in-One PC looks great in your workspace. Powerful Intel® processors² help you quickly get through daily tasks and the 21.5-inch diagonal display has plenty of room for collaboration with co-workers.

Sleek, professional design

Equipped with our latest stylish three-sided micro-edge display, the HP 200 22 AiO PC frees space on your desk while remaining affordable. Designed for quick deployment— simply unpack, place, plug in, and get to work.

Powered for business

Help enhance your productivity with a powerful 12th gen Intel® Core™ processor², delivering reliable performance at a great price.

Flexible and powerful technology

The HP 200 22 AiO PC provides flexible options to fit your business needs. Select from powerful Intel® processors², an array of speedy SSD drive options³, a high-capacity HDD³, and up to 32 GB⁴ of expandable memory.

Sustainability in action

Great video and privacy

Capture images and videos in stunning detail with the 5 MP pull-up webcam while maintaining your privacy. The intuitive pull-up webcam only works when the camera is in the up position. Push it back down and block accidental or malicious recordings.

HP 200 G4 22 All-in-One PC

Featuring

HP Recommends Windows 11 Pro for Business¹

Help secure the future of your business. PCs from HP make the most of Windows 11 Pro to protect you from today's security threats and maximize management and productivity features for business.¹

Several deployment options

This space-saving AiO fits your workspaces and use cases.

Easy collaboration

The 21.5-inch diagonal ultra-wide viewing angle display lets you easily collaborate with colleagues and customers and the built-in webcam, speakers and microphone make online collaboration simple.

Get comfortable

Create an ideal workspace with the 21.5-inch diagonal anti-glare tilt display.

Enjoy a clutter-free desk

The smart design features in this sleek AiO let you manage your workspace efficiently. Quick and easy access to ports and optional wireless Wi-Fi 5 (802.11ac) Wireless LAN with Bluetooth® helps reduce cord clutter.^{3,5}

Multi-format media reader

An integrated SD card reader lets you easily transfer data to your computer from various types of media.

Multi-monitor, multi-task

Keep everything in plain sight and be up to 35% more productive. There's plenty of screen room for all your work with support for an external display.^{6,3}

Footnotes

Messaging Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

² Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

³ Sold separately or as an optional feature.

⁴ Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. High speed internet and Microsoft account required. ISP fees may apply and additional requirements may apply over time for updates. See <http://www.windows.com>.

⁵ Wireless access point and Internet access required. Availability of public wireless access points limited.

⁶ "Observed Productivity, Efficiency and User Satisfaction when Using Multiple or Large Displays," Koala LLC Ergonomics Consulting, November 6, 2012.

Specification Footnotes

¹ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows is automatically updated and enabled. ³ Multicore is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. Intel's numbering, branding and/or naming is not a measurement of higher performance.

⁴ Intel® Turbo Boost technology requires a PC with a processor with Intel Turbo Boost capability. Intel Turbo Boost performance varies depending on hardware, software and overall system configuration. See www.intel.com/technology/turboboost for more information.

⁵ NOTE: Your product does not support Windows 8 or Windows 7. In accordance with Microsoft's support policy, HP does not support the Windows 8 or Windows 7 operating system on products configured with Intel® and AMD 7th generation and forward processors or provide any Windows 8 or Windows 7 drivers on <http://www.support.hp.com>

⁶ For storage drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 30 GB (for Windows 10) of disk is reserved for system recovery software.

⁷ Optical drives are optional or add on features. Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives.

⁸ Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 5 (802.11 ac) is backwards compatible with prior 802.11 specs.

⁹ HD content required to view HD images.

¹⁰ NOTE: Intel® integrated UHD Graphics varies by processor.

¹¹ Keyboards and mice are optional or add-on features.

¹² McAfee LiveSafe™: subscription required.

¹³ TPM feature will not be supported on machines pre-configured with FreeDOS and Linux.

¹⁴ In selected countries, machines pre-configured with Windows OS will be shipped with TPM disabled.

¹⁶ External power supplies, power cords, cables and peripherals are not low halogen. Service parts obtained after purchase may not be low halogen.

¹⁷ Actual data rate is determined by both the system's configured processor and memory module installed.

¹⁸ HP Cloud Recovery is available for HP Elite and Pro desktops and laptops PCs with Intel® or AMD processors and requires an open, wired network connection. Note: You must back up important files, data, photos, videos, etc. before use to avoid loss of data. Detail please refer to: <https://support.hp.com/us-en/document/c05115630>.

¹⁹ All specifications represent the typical specifications provided by HP's component manufacturers; actual performance may vary either higher or lower.

²⁰ Simply sign up and start using Xerox® DocuShare® Go. No credit card. No obligation. Data will become unavailable unless a subscription is entered before the end of the 90 day free trial period. See visit www.xerox.com/docusharego for details.

²¹ SD card reader is optional or add on feature.
